...that your JOY may be full

In a recent letter to young people, Pope Francis announced the 2018 Synod of Bishops theme on **Youth, faith and vocational discernment**

'For each person, the vocation to love takes concrete form in everyday life through a series of choices, which find expression in the states of life, professions, forms of social and civil commitment, lifestyle, the management of time and money, etc. The purpose of vocational discernment is to find out how to transform them, in the light of faith, into steps towards the fullness of joy to which everyone is called.'

The Conference will gather together young women to explore the Synod goal:

'...the Church has decided to examine herself on how she can lead young people to recognise and accept the call to the fullness of life and love, and to ask young people to help her in identifying the most effective ways to announce the Good News today.'
